**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Now that I have competition in my area, prices have fallen and service has improved dramatically!

We had horrible service with Comcast and with ATT. Now we have excellent service with Sonic.

The improved service has helped our home business, which requires constant internet connection and fast support when needed.

Please help allow as much competition as possible!
