**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support Sonic because it gave me the opportunity to have low cost internet and my children can connect to do their homework. Previously I had att but they increased the costs each year more and more I did not have the possibility to continue with them. until I knew about them sonic and they do not lie when you communicate with them. ATT deceives you and has very low speed with very excessive charges.
