**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value competitive and that I oppose the USTelecom petition. There needs to be room for many companies to provide internet access. This keeps prices fair and allows consumers to have choice. It is important to have a fair market and also to have easily accessed internet.

Best,
