**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My friends recommended Sonic to us about a year ago.

Our experience with Sonic is nothing but satisfying.

While this company provided excellent service during the installation and migration phase, they continue to provide excellent ongoing service and support.

Before we switched to Sonic, AT&T was our Internet service provider. Beside they price increases and poor customer service, a service they provided was sporadic in our area.

We are very pleased with Sonic, and we will continue to support their business by recommending it to others. Sonic has our total support.
