**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have long been manipulated by AT+T's manipulative marketing tactics. There are few viable choices where I live, which is amazing since I live in the heart of the San Francisco Bay Area.

I am unhappy with AT+T and now I hear they are making a bid to consolidate their power by blocking out smaller carriers. This is unbelievable! They have not been honorable for years, I rely very heavily for broadband access to run my home business.

AT+T is a near monopoly and now they want to consolidate their control even more? NO!
