**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Until sonic was available in our area there was only one choice of provider that could offer megabit speeds let alone gigabit, and the prices were abysmal given the supplied bandwidth (att offered 140KBps, Comcast offered 40MBps but struggled to deliver 10 reliably).

Please keep unbundled access available so there is even marginal competition to encourage technology improvement/infrastructure investment and sane pricing.
