**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not allow AT&T and other monopolies from stopping small independent ISPs to offer gigabit service. Our homes and schools deserve much more choice than we have now. We need to go in the direction of opening up markets to more competitors. Why help big monopolies? What could be more un-American than supporting huge monopolies like AT&T.
