**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support broadband competition and net neutrality. For years I was stuck with ATTs slow internet, until Sonic came along. I don't want the small providers to lose their fight with giants like ATT and Verizon.

ATT was able to charge me a higher price for inferior service. Now I get fast internet with a phone line at half the cost.
