**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because I want fiber and I want there to be competition.

I want competition because it's good for fiber performance and business and development and costs.

NO TO PRICES HIKES. That is bad. Competition will prevent that.

It is critical to have broadband because the internet is everything these days.

Used to have DSL but have fiber now, way way better.

I use AT&T for my landline and Verizon for my cell service, COMPETITION IS GOOD.
