**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC

We need small internet companies such as Sonic. It have to be fair competition in market economy. We do not need AT&T monopoly in this field. Our family can not afford super expensive and non quality internet service from AT&T, We are students who have limitation on service price. In the past we had AT&T internet service and completely unsatisfied with their service quality and hiking prices.

Thanks,

Odil B
