47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As consumers, we're looking to you to help ensure a competitive market for broadband, and smaller providers are key to that. Please make sure they retain access to critical backend infrastructure, to ensure faster fiber deployment to all of us at fairer prices! Sonic enabled me and my business to have access to fiber internet at a reasonable price. Both urban and rural internet users are looking to you to prevent massive price hikes from the telecom giants.
