**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to have a competitive market in internet service providers. We already see big companies raise prices and destroy competition. Even the Santa Clara firefighters experienced verizon limiting access and charging more during an emergency situation. I support broadband competition and I support net neutrality. These two go hand in hand, and big businesses are holding consumers hostage by cutting off access and preventing other smaller companies from competing.

Thank you,

Rebecca Willis
