**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep the 1996 Telecommunications Act intact by allowing companies like InfoStructure in Oregon to keep their access to copper and fiber.

InfoStructure is currently fighting an FCC petition by AT&T's trade group that would substantially impair competitive carriers. We're First Alternative Co-op, a small grocery co-op that uses InfoStructure and we're sure that our prices will rise if the trade group efforts succeed.
