**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a big fan of Sonic.net, a small internet provider that provides an excellent service to the community. Please help keep the ISP ecosystem competitive and diverse. We need fresh ideas and continued investment in our country's laughable and aging internet infrastructure. Listen to the little guys, and protect access to the internet!
