**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The broadband options in my neighborhood are limited and would be even worse if not for competition provided by the smaller ISP available in the area. The prices kept increasing and the speeds stayed slow before. I work remotely and require high internet speeds to get my work done. We need options and competition.
