**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want more competition amongst providers in order to keep prices for communication services affordable. Competition amongst providers has already been significantly compromised and we need the Bridge 2 Broadband!

Also, we have chosen a local carrier in order to supports locally owned businesses. With continued compromises to competition, these opportunities to access local services are becoming more difficult.
