**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not hike prices that will increase the cost of the phone and internet services. I am a senior citizen and the prices are alrdy high. Having local broadband is critical to the community in which I live. It keeps me connected. I really rely on Sonic.net to enable me to have reliable internet and phone service. More competition is only fair for a larger number of people. Please, do not raise prices!
