**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I went with Sonic because they actually answer the phone and don't act like they're doing me a favor for providing a service.

Also, Sonic doesn't embed their own commercial services in the gear they provide so that they can offer products to people I don't know using gear in my home.

Sonic is 5 to 10 times faster than offerings at the national providers for well under half the price.
