**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who really values my broadband provider. They are a small local company that is fast to help and provides amazing personalized customer service! I like having the choice over companies that were trying to nickel and dime me and whose employees were rude and unhelpful! I don't want to be paying more or being upsold into things I don't want.
