**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer of a smaller broadband companies services, I believe we deserve more completion in broadband not less. I have had three different providers in the last five years and the larger the provider the less customer service and the higher the cost for slower speeds.

The FCC should not be facilitating monopolies or duopolies that increase process with less service. Access to reliable broadband is essential in my families work and education.

Thank you for you time and consideration.
