**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local internet service provider in San Francisco. My service is excellent.

Mike came to my house and helped me to rewire all my Ethernet cable to get the fastest, most reliable service. He arrived when he said he would and helped me to pick the right equipment to cover the entire house.

I could not get that level of service from a big provider.

Please do not increase the cost of internet service. Broadband is critical to my business.

Regards,

Doug McDowell
