**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner in support of broadband competition. My local provider, Sonic - provides superior service to ATT, Comcast, etc.

Having broadband is critical to the success of my property management and real estate business. Previously I had DSL and suffered frequent disruptions.

Broadband competition is critical for advancement.
