**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have switched to Sonic after being a Comcast (Xfinity) customer for 14 years and before that being an AT&T customer. I chose Sonic because I was tired of paying more and more for less and less. Comcast consistently changed my service subscription and forced me to choose bundles that I did not want.

I am a Web developer who makes a living online and need to have high-speed connectivity because I am paid by the hour and if I don't provide good value for the cost to my clients they will take task away from me and bring someone in-house who they can pay less.

Thank you,

Johnny Hernandez
