**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a proud customer of a local broadband provider, based right here in my city of residence. Their service and customer support are heads and shoulders above that provided by AT & T or ComCast. There is no way I and others like me -- and there are a lot of us! -- will stand by and let you crush the smaller companies so that the conglomerates can jack up prices and abandon customers. This country was built on customer choice and the free market, remember? We say NO to monopoly!!!!!!!!!!
