**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My provider for DSL is Sonic. As a consumer of broadband I believe competition is vital. Competition allows for much better service at reasonable prices. I am a retired attorney and even in retirement I use broadband everyday. I am currently an executor of an estate and even today my probate attorney sent me documents to sign via email and PDF.
