**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband competition is important. I switched from AT&T to a local provider because AT&T was unwilling or incapable of providing the service I wanted at a reasonable price.

Stop defending entrenched monopoly providers. Competition is supposed to be the backbone of the American way of business. The choice between big telecom and big cable is not one I should have to make.

I depend on quality internet service to make my living. Don't screw me out it.
