**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a Sonic subscriber who came from Comcast I implore you to please support competitive providers. Consumers deserve choices for their internet providers. Internet has become a utility and is used for everything from banking to work. We need this. I previously only had one provider and was stuck with their prices. There should be a free market for competitive providers to bring reasonable prices to consumers.
