**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to save net neutrality and I want more competition to bring monthly costs down for internet. It's too expensive and there are tons of smaller companies that would love the competition to be more viable. Think of what it'll do to our GDP too!

As a consumer I want to feel taken care of by you, the governing body. You're here to look out for our interests.

Thanks,

Clare Hedin
