**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like a choice in who I use for internet, and personally, I like the little guys. Competition is healthy in business. It assures quality service, fair prices, and innovation. I look to buy local and stay local. I am not interested in signing on with a large national or international company, or I would have. Again, I have choices and I want to continue to have choices. So do not further monopolize the internet/telephone industry more than it already is!

Sincerely,

Kathryn Tackley
