**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For years the only internet option we had was with AT&T phone lines which was very poor service, slow internet, and requirements to bundle added services like TV that we did not want. It was high priced and after about 6 months the internet speed dropped significantly. They said we were in an old neighborhood where lines could not support better service. Sonic was a true alternative choice with much better service and less expensive, and did not require unwanted bundling of services.

Please do not take that choice away from us consumers.
