**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to me to have a choice in my ISP, and especially to support a local business like LMI in Berkeley. I do not want to be forced to choose one of a few prescribed providers, especially giant telecom companies. Thank you for understanding!

The prices of internet, which at this point should not be considered a privilege but a right, are already increasing untenably.
