**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am retired and was being held hostage by my cable TV and internet. My internet was more expensive because it claimed faster service, but it was not. I decided to split my bundle and get the best offer for my TV service and then added Sonic for for internet service and have not regretted it.

Because of the competition that is out there now I was able to get better service and save money. With everything increasing it is important that we at least have competition so we can shop around for the best and reasonably priced service.
