**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local broadband provider that provides a gigabit fiber connection for a very affordable price that I LOVE. Their competition against the local cable monopoly enables a much better level of service than what I would get otherwise. Their service is honestly the best thing I pay for each month and they don't gouge me like the big cable companies with their inferior internet access.
