**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of local broadband. I live in a rural town and support broadband competition. We absolutely need more competition than two large national providers. I have had the worst service experience with the only two large broadband providers where I live. The local broadband company understands our needs. Don't we want competitive capitalism in America. Don't let the big corporations take over. We the people want our local broadband service!!
