**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has provided superior service. So good in fact that we rarely call for any reason. When we do the service is excellent, quick, intelligent and honest, not automated or long hold times as with other services. The pricing is fare and manageable for limited income homes, unlike the ever escalating prices and up selling of other companies. My DSL service was unbearably slow and expensive, then came Sonic Astounding speed, reliable quality service that requires little or no service. We are blessed to have a choice in ISP's but family in outlying areas have little or no choice.

Please keep the playing field level!
