**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to support innovation in my community. Sonic provides a local approach to my need for fast internet. They are transparent and have integrity and they are helping bring fiber optics to the average home. Its wonderful! No gimmicks, no lies, no red tape like with the behemoths... I support broadband competition! I do not want price hikes that will increase the cost of internet and telephone. I have telephone for emergencies, now that we have a young son. We love Sonic Fiber!
