**RE: WC Docket No. 10-90, *Connect America Fund*; Atlantic Broadband Finance, LLC
Comments**

Dear Ms. Dortch:

In accordance with the Public Notice, DA 16-908, released August 10, 2016, in the above captioned proceeding, please accept these comments submitted on behalf of Atlantic Broadband Finance, LLC ("Atlantic Broadband").

Atlantic Broadband has deployed broadband at 10/1 Mbps speeds or greater, with a minimum usage allowance of 150 GBs at a rate meeting the Commission's current reasonable comparability benchmark, with latency not exceeding 100 ms, in seven (7) census blocks that are included in the Commission's preliminary list, as listed on Attachment 1 to this letter. These blocks were inadvertently omitted from Atlantic Broadband's Form 477 submission reporting data as of June 30, 2015. Atlantic Broadband will file a corrected Form 477 to reflect the inclusion of these blocks in its deployment file.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to stthomas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Sharon Thomas
