**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who relies on competition to bring service to my area. I am currently restricted to only one provider in my area who has a monopoly. PLEASE .. we need to be able to have competition, get the best rates and the best service. Broadband service is critical to members of our community who STRUGGLE with slow DSL and HIGH PRICES! I support broadband competition to best serve my community.

Thank you.
