**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Definitely appreciate having local competition for broadband. It gives us more choices for services, competitive pricing, and the ability to support local companies.

I used to be stuck to AT&T or Comcast, which were both terrible providers, that had hidden price hikes, and had terrible customer service.
