**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was thrilled when Sonic offered fiber in my neighborhood. We had disappointing dsl/internet speeds with both Comcast and ATT, not to mention their customer service was generally terrible.

Both my wife and I depend upon our home connection for work, as well as leisure. Sonic has delivered tremendous speed and service to our home.

We are so pleased that their company has been able to succeed and I hope the FCC maintains net neutrality!
