**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value competitive choice for my broadband service AND I oppose the USTelecommunications Association petition to limit my choice. Like all Americans I use the internet intensively and I rely on a competitive market to ensure high quality service.

We will soon have fiber connection but we feel it's important to maintain competition in this market.
