**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Entrepreneurship and competitiveness are what keeps this economy from out of hand. Having options in internet service providers is crucial for everyone. Its not enough to choose from just A or B but to have multiple options will keep technology new and prices low. This is the basic law of supply and demand Econ 101. Please keep Sonic as a contender for our business and homes. Say NO to price hikes! We need Sonic as a viable option!!!

Sincerely,

Elizabeth McElderry
