**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A few years ago I switched from AT&T to LMI, a local internet service provider, with whom I've had much better service. I value competition and I am concerned about monopolization of critical services. I am opposed to any rule changes that would make it harder for independent service providers to support their customers.
