**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose LMI for both my broadband AND landline services because as a former AT&T customer, I was tired of being lied to. Tired of being scammed and defrauded. Yes AT&T STOLE money from me and has YET to pay me back. I'm a disabled individual with a VERY limited income and LMI provides me a 'window to the outside world' at a price that I am able to afford. Their service is FAR and above superior to ANYTHING that I had ever gotten through AT&T. I firmly say NO to price hikes that aid a monopoly that NEEDS to be broken up ... no to giving AT&T and the other big carries ANY additional incomes.
