**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Consumers need companies like Sonic to compete with AT&T in order to receive better service from internet and telephone providers. FCC should encourage companies like Sonic to enter the field of telecommunication, not block their efforts and allow AT&T maintain its monopoly on the industry. AT&T sucks! It's Expensive, poor customer service, unethical, and unamerican!
