**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not take any action on behalf of large telecoms that would hurt the small businesses in my community. In Hood River, Oregon, which is host to a number of small but advanced tech companies, we depend on our locally managed broadband provider to meet the unique geographical needs of our town and the surrounding land. Nontraditional line-of-sight last-mile links are essential, and one-size-fits-all solutions used by national providers simply do not work.
