**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I think it is important that there is competition in the market of internet providers.

Broadband is critical to our home, where we do most of our business, as we are contractors.

Do not make telephone and internet provider companies into huge mega-corporations. We need to have competitive companies in our society.

Best regards,
