**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support Sonics efforts to keep small businesses competitive. Any efforts by the government that stifles competition is wrong. The government should not be in the business of choosing winners by limiting access to vital infrastructure. Sonics ability to offer reasonable rates to its customers for high speed internet to is a good thing.
