**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am both consumer and a small business owner who supports broadband competition. I oppose changing the rules to allow monopolies to favor one supplier over another.

Fair competition on the internet is essential to innovation. Internet innovation is key to America's leadership in telecommunications.
