**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am still using the same email address I first received in 1997. At that time it was part of a CalTrans study on how email might relieve our highway infrastructure of some use. Over the last 20+ years I have only had excellent service from the Davis Community Network and their ISP, Omsoft. I strongly urge you to support and implement policies that preserve competition and allow small ISPs to flourish.
